EXPERIENCE

Software Consultant, Interim CTO

max.degterev.me, Berlin, September 2021 – Present

Helping scale up and lead tech teams, develop product roadmaps, set up project architecture, audit codebases, perform code reviews and develop custom software solutions.

Co-Founder, CTO

flashfix.app, Berlin, September 2021 – Present

Co-founded the best and most convenient bike repair service in Europe.

Team Lead (Front-End)

nebenan.de, Berlin, September 2015 – August 2021

Migrated an existing MVP from Angular to React. Built website architecture and various micro-services for image processing and machine learning. Recruited and led a team of front-end engineers. Helped with product planning and feature scoping.

Lead Software Engineer

swiftgift.me, London, October 2014 – September 2015

Recruited and led a remote team of engineers and designers. Helped migrating from an existing CMS to a custom solution. Worked on product planning and roadmap.

Senior Software Engineer

moviepilot.com, Berlin, June 2013 – October 2014

Software Engineer (Front-End)

ostrovok.ru, Moscow, May 2011 – June 2013

Freelance Software Engineer

braincube.ru, Moscow, November 2007 – December 2012
